## Travel Information

### Safari Do's and Don'ts:

Jenman Safaris has extensive knowledge and experience in most African Countries. Throughout the many years we have learnt about a few "Do's and Don'ts" while travelling in and around Africa. We have therefore developed this list for you to read at your leisure. All tips are not always relevant to all the areas that you travel to – depending on your tour.

Due to a lack of transparent and credible regulation relating to ethically acceptable practices where captive wildlife is concerned, Jenman African Safaris has taken the decision not to support any activities that include physical contact with captive wildlife. We urge you to consider the ethical implications of taking part in any such activity that may be offered at your lodge.

#### Arriving for Safari

Get some rest on the first day of your arrival – you may need some time to adjust to a different time zone. Rather arrive a day early to rest and start off your tour refreshed and ready for adventure!

#### Currency

When you need to exchange your currency, avoid any exchanges on the street or in other areas that may seem suspect. Always note that even when people approach you with an, e.g., 50% premium exchange rate offer, this exchange is considered part of the black market and is illegal! Hotels, Camps and Lodges can change money, but sometimes the rate is slightly lower. We recommend that you visit an accredited Bureau de Change.

#### Credit Cards

Credit cards such as Visa and MasterCard are widely accepted in most areas as well as at bigger hotels and lodges.

#### Hospitals and Pharmacies

The larger towns in Southern Africa have pharmacies and hospitals, but you should always make sure you have enough of your medicine in case the pharmacies/hospitals don't stock them.

#### Telephone

In most areas you can call internationally – however please note that some of the smaller areas may not have these facilities and international phone calls are costly. Also, built up areas and towns do have cell-phone reception!

#### Passports, Documents and Valuables

Please make sure that you keep your passport, documents and any other valuables with you at all times! We recommend that a copy of these documents should be made and kept in another safe place in case something happens to the originals. Never leave valuables alone and remember you are on safari, so expensive and valuable jewellery is not necessary.

#### Safety

Every area (any where in the world) can be unsafe at times. Please take common precautions at all times and never walk alone, especially at night or in run-down areas!

#### Packing

Remember to always check the amount of luggage you are allowed to take on the plane as well as on the Safari Vehicle – they may differ. We recommend that a soft bag is used instead of a hard suitcase as it's preferable on safari. Most air flights allow for 20kgs and our scheduled safaris are limited to 15kgs per person. Don't forget to put luggage tags on your suitcases (for the airplane and the safari).

### Luggage and Medication

Please be advised that you should put any medication that you need (e.g.: diabetes medication) into your hand luggage, even with the strict regulations, airlines will allow that as long as you have a letter from your doctor.

### What to wear:

You are on safari and out in the bush so make sure that you are comfortably dressed with comfortable shoes. Always have a mix of clothing including: summer clothes, light raincoat, warm top and a hat.

### Punctuality

Please be on time when you meet your vehicles for the game drives. If you run late you may delay the rest of the trip or miss something wonderful!

### Climate

Always remember that the African Sun may look gentle but it is strong and can be harsh. Too much sun can lead to headaches, dehydration, nausea and dizziness. Rather look after yourself by using sun screen and a hat versus trying to get a nice African Tan.

### Drinking Water

In built-up areas the water is safe to drink (mostly in South Africa) however, some areas it is not safe to drink the tap water at all! So we rather recommend that you drink bottled water at all times to prevent any illness. You may use the tap water to rinse your mouth when brushing your teeth! Ice is generally fine to consume, but sometimes it is better to be cautious. We advise you to rather drink bottled water at all times in Africa!

### Food and drink

Africa is famous for its fruit and fresh vegetables – which can be enjoyed all around Africa. Fruit and Vegetables should be peeled before eating. Drinks (including spirits) and cigarettes can be bought in most areas but are normally quite expensive. On our Safaris we do provide most/all meals which are prepared by our guide or at a lodge.

### Anti-malaria medication

A lot of areas in Africa are affected by Malaria – we strongly recommend that you take your anti-malaria medication. Take your medication exactly as its prescribed and directed, don't skip any medication! At the end of your safari, if at any time you develop influenza symptoms please consult your doctor immediately.

### Power and Electricity

Most places (hotels, lodges) have electricity. But we always recommend that you should take a flash light with you on safari. Always remember if you plug something in (e.g.: One of your appliances) there may be a different voltage! The usual voltage is 220-240 AC. If your appliance does not match this voltage you need to bring a converter with as some lodges may not have a converter for you to use...

### Photos

There will be many amazing photo's that you will want to capture along the way on your safari. But, you need to make sure you don't take any photos of any people without their permission. Also, never take pictures of anyone/anything in the military, police force, armed forces, government, presidents or airports.

## Animals

The animals in the bush and the ones that you may see on safari are wild and should not be approached! Animals may roam freely around so be observant and cautious when walking from place to place.

## Tipping

Tipping is not included in meals unless there is a service charge included in the bill – then you don't need to tip. Normal tipping is 10% of the bill for drinks and food. Tipping for guides and drivers are always appreciated and range from US\$5 and US\$10 per day...

## Driver-Guide/Safari Guide

Your driver and guide is complete with experience, information and knowledge of all the areas that you will travel to. Be sure to ask them lots of questions and feel free to chat to them about anything.

We hope that our list of 'Do's and Don'ts' have been useful and helpful. Please don't hesitate to contact us if you have any more questions that we haven't covered in the above list...

## 12. Luggage Allowance

Baggage is strictly limited to one large bag, weighing a maximum of 15 kg. Also allowed will be a smaller hand-luggage bag or camera bag per Client. These restrictions are essential because of the nature of the tour. Because overloaded vehicles are inherently dangerous and cause unnecessary transport problems, potentially endangering Clients and Company representatives, the Company insists that every Client adhere to these luggage restrictions.

## 13. Booking on scheduled departures

### 13.1. Group Size

Our group size usually varies between 2 and 14 maximum. By traveling in small groups, the advantages are that campsites and/or lodges are not invaded and time is not wasted in trying to assemble and control large groups of people. It also enables the Company to offer a far more personal service. Our safaris are usually made up of individuals, couples and sometimes groups of friends aged between 18 and 65 years. With the mere physical and youthful mentality which prevails on these tours, they are generally not suited to anybody over the age of 65 years. There is no upper age limit on any tour or safari, but for any Client over the age of 66, the Company requires a medical certificate to confirm physical ability for the chosen tour. Indemnity forms must be completed by a parent or guardian of 21 years or older, for children wishing to participate who are between the ages of 12 and 18.

### 13.2. Transport

Jenman African Safaris cc vehicle fleet comprises fully equipped Toyota Buses (12-seaters), Toyota Land cruiser 4x4 (10-seaters) and Toyota overland trucks (24-seaters for customized tours) with comfortable seating, large windows for game viewing and music systems. Additionally, we make use of Toyota Quantum (14-seaters with comfortable seating and music system.) An off-road trailer is fitted to all 10-seater vehicles and is equipped with a field kitchen. All luggage are carried on the roof or in the trailer to ensure maximum comfort inside the vehicle.

### 13.3. Participation

The degree of satisfaction and enjoyment you feel at the end of each day and at the end of the trip will depend on you and your capacity to enjoy yourself. This capacity, combined with an active and enquiring mind and a willingness to participate, is essential for all tours. The Company offers two types of participation safaris: Non participation, where clients do not need to participate in safari duties; Semi-Participation where the clients have to put their own tents up, help with food preparation, dish-washing and help with the packing and unpacking of the vehicle. A degree of flexibility is essential because of the mere nature of the parameters in which we have to operate.

### 13.4. Accommodation

For Camping safaris, the Company makes use of one 3-person dome tent per 2 people. Thick (5cm) foam sleeping mattresses are provided for these camping safaris. Other accommodation utilized includes bungalows, rondavels, log cabins, lodges, hotels and tented safari camps, for days where accommodation is specified in the itinerary.

### 13.5. Prices and Local Payment

We endeavour to ensure that every Client is fully aware of all costs involved on each trip. The costs on some tours are divided into two payments. The first amount is the tour price and the second amount is the local payment, which are paid directly to Jenman Safaris or the Agent before the tour commences. Therefore, the local payment fee will be payable prior to travel together with the main tour fee. The local payment is then handed over to the guide to pay for some of the day-to-day operational costs that are incurred while groups are on the road. Examples include fees at most of the national parks, entrance fees to some

attractions, local guides and any food markets we visit to stock up on fresh produce during the tour. Our price, in conjunction with the local payment, includes accommodation, transport on the tour, meals, and activities as per itinerary, camping equipment (except sleeping bags), permits, entry fees and a trained and qualified tour guide.

#### 14. Discounts

14.1. Only one discount may be used at any time. Discounts cannot be combined or used in combination with any other specials.

14.2. Book & pay refers to full payment being received.

14.3. All discounts apply to the per person tour price. Please note that flights, airport taxes, single supplements, local payments and special permits are excluded.

14.4. Combine your trips – the 5% discount applies to the more expensive of the chosen tour packages.

14.5. All discounts are subject to tour availability.

14.6. Frequent Traveller – your previous trip has to have been a separate booking on a different date/occasion. Your previous booking had to be a minimum of 5 night stay.

14.7. Jenman African Safaris' general Terms & Conditions still apply.
