Full day private guide Cape Peninsula tour. On route, we stop at the T Bag Design workshop in Hout Bay. Here you can find unique handmade products using re-purposed tea bags as works of art. The process involves the tea bags being dried, emptied, ironed and then painted. These miniature works of art are then applied to a variety of items such as wooden trays, coasters, stationary fabric items as well as wall decor.

**Activities****Cape Point Tour Full Day**

Highlights of a trip down to Cape Point include; one of the world's most spectacular drives, Hout Bay, Chapman's Peak, Noordhoek Beach, the Cape Point Nature Reserve, two lighthouses on the tip of Africa, Boulders Penguin Colony, Simonstown, Kalk Bay and the Kirstenbosch Botanical Gardens.

**Cape Peninsula**

Extending into the Atlantic, the rugged Cape Peninsula marks the southwesternmost point of the African continent. It features pristine white-sand beaches met by craggy mountains interspersed with quaint little coastal towns. Cape Point and the Cape of Good Hope can be found along the southern end of this spectacularly scenic peninsula, while the northern tip is crowned by the world-famous Table Mountain which towers over the city of Cape Town. Visitors can look forward to a wide selection of activities including: hopping on a boat ride to Seal Island from Hout Bay, exploring the magnificent Cape of Good Hope Nature Reserve, and viewing the colony of African penguins on Boulders Beach in Simon's Town. Don't miss the opportunity to take in the breathtaking views from the top of Table Mountain.

### **Boulders Penguin Colony**

The Boulders Visitor Centre is home to the famous colony of Jackass Penguins, so called for their hilarious braying call. This is a truly special experience and Table Mountain National Park staff are knowledgeable and offer guided tours. After you have fallen in love with the penguins head to the secluded Boulders Beach and take a swim in the comparatively warm waters of the False Bay.

### **Kirstenbosch Botanical Gardens**

On the lower slopes of Table Mountain, the beautiful Kirstenbosch Botanical Gardens showcases some of the Cape's rich flora. Taking centre stage here is the unique 'fynbos' vegetation. Those who work up an appetite while exploring this garden paradise can visit the restaurant or tea room, which are fully stocked with delicious meals, yummy treats and refreshing beverages. In summer, Sunday music concerts provide sunset entertainment. Kirstenbosch is rated as the seventh best of its kind in the world.

**Cape Town City Tour Half Day**

On a clear day from the summit of Table Mountain you get spectacular views of the City, its Waterfront, Camps Bay, the majestic Hottentots Holland Mountains to the East and the mountains of the Cape Peninsula all the way down to Cape Point to the south. The Table Mountain cableway, a must for all visitors to the Cape, boasts revolving floors, giving passengers a 360 degree view. After descending the mountain, you will depart on a tour of the "Mother City" taking in Signal Hill – where the Noon Day Gun is fired at midday, every day except Sunday – through the colourful Bo-Kaap or Cape Malay Quarter, past the Grand Parade, City Hall and the Castle of Good Hope and South African Cultural History Museum.

**Table Mountain Cableway**

A trip up Table Mountain is quite rightly one of the first things a tourist wants to do when arriving in Cape Town. Once on the top, a 1000m above the city below, you are rewarded with spectacular 360 views. Take your time and enjoy this unique environment, go for a walk or have a bit to eat at the restaurant with arguably one of the best views possible.

### **Company Gardens**

The Company Gardens is a treed haven in the middle of the city and is surrounded by museums and fascinating buildings - St Georges Cathedral, the Salve Museum, The National Art Gallery and the Jewish Museum to mention a few.

### **South African Museum**

At the South African Museum, you can see everything from dinosaurs to rock art and fossils to a stuffed quagga, the extinct zebra that once graced Table Mountain. These exhibitions document the evolution of animals and man in Africa. One of the highlights is the Whale Well where you can listen to whale sounds and see a life-size, 20-metre-long skeleton of the planet's largest mammal; the Blue Whale. This is always a crowd-pleaser with the kids.

### **Castle of Good Hope**

The Castle of Good Hope is the oldest surviving building in South Africa. Built between 1666 and 1679, this pentagonal fortification replaced a small clay and timber fort built by Commander Jan van Riebeeck in 1652 upon establishing a maritime replenishment station at the Cape of Good Hope for the Dutch East India Company, better known as the VOC (Verenigde Oos-Indische Compagnie).

Two perennial rivers, the Sabi and the Sand flow through this Game Park, sustaining the diverse fauna and flora of the area. The success of leopard viewing within the Sabi Sands is legendary. Elephants, lion, rhino, buffalo, cheetah, giraffe, zebra and a vast variety of antelope and other species can be closely observed in their natural environment.

**Overnight: Chitwa Chitwa Private Game Lodge** [View iBrochure](#)

Originally a private family retreat, Chitwa Chitwa earned its name as an affectionate ode to the aging giraffe bull who shared the lakeside home as an extended member of the Brink family. According to the owner, Charl Brink, the majestic arrival of this regal relative was always signaled by the creaking of his old joints - and still today, his watchful essence is felt presiding over the lodge. The private game lodge is magnificent and graceful in appearance, yet humble enough to evaporate into the surrounding beauty of the unspoiled bush of the Sabi Sand.
