### PARK FEES AND ACTIVITIES

Note that on some guided group safaris an additional park and activity fee may apply. This will be clearly indicated on the applicable tours as **Park Fees and Activities**. The fee will however be payable prior to travel together with the main tour fare.

The park and activities fee is part of the overall tour cost and is handed over to the guide to pay some of the day to day operational costs that are incurred while groups are on the road. Jenman African Safaris aim to prepay as many of the tour costs as possible however in some cases cash on arrival is the only option as some of the service providers we make use of on safari only accept this method of payment. Examples include fees at most of the national parks, entrance fees to some attractions, local guides and any food markets we visit to stock up on fresh produce during the tour.

### PRE AND POST TOUR ARRANGEMENTS

We have included a list of recommended accommodations for stays prior to and after each of our safaris. Prices for the lodgings and additional transfers are available in a separate rates manual. Kindly contact our reservations office with your requirements and we will gladly assist you with your booking.
