TRAVELLING TIMES AND DISTANCES:

All travelling times are affected by road conditions, border crossings, detours and weather conditions, therefore on certain days travelling times may be longer than anticipated especially where there is a lot of distance to be covered. Please keep in mind that the time it takes to travel 100 km in your home country is not equivalent to the time it takes to travel 100 km on African roads, therefore we encourage you to sit back and enjoy the spectacular scenery Africa has to offer. Where possible additional stops will be made to ensure your travelling comfort at all times.

ACCOMMODATION:

For this accommodated safari, we make use of mid-range lodge accommodation. Your accommodation is situated either in National Parks, on the banks of a river, or in other places of interest. The accommodation will be a mix of lodges, chalets and permanent tented chalets with en-suite facilities. Some properties are equipped with swimming pools and/or bar areas.

MEALS:

Breakfast and dinner will be prepared by the lodge where you are staying. They will also prepare lunch or a lunch pack depending on the itinerary for the day. Please advise us of any special dietary requirements in advance.

VISAS:

The onus is on the client to organize all visas required to visit Uganda, prior to departure.
