Jenman Safaris uses fully equipped Toyota Quantum's, Mercedes Benz Sprinters or Vito's or other appropriate vehicles with comfortable seating, a music system, PA system and air-conditioning. Please note all game drives are conducted in the touring vehicle. Clients have the option to book additional game drives in open game-viewer vehicles. It is recommended that you pre-book additional game drives in advance to avoid disappointment.

TRAVELLING TIMES AND DISTANCES:

All travelling times are affected by road conditions, border crossings, detours and weather conditions, therefore on certain days travelling times may be longer than anticipated especially where there is a lot of distance to be covered. Please keep in mind that the time it takes to travel 100 km in your home country is not equivalent to the time it takes to travel 100 km on African roads, therefore we encourage you to sit back and enjoy the spectacular scenery Africa has to offer. Where possible additional stops will be made to ensure your travelling comfort at all times.

ACCOMMODATION:

We make use of mid-range typical African standard lodge accommodation. Accommodation is situated either in National Parks, on the banks of a river, or in other places of interest. The accommodation will be a mix of lodges, chalets and tented camps. Most of them have a private bathroom with a shower and toilet. Some properties are equipped with swimming pools and/or bar areas.

MEALS:

Breakfast is included daily and provided by the lodge restaurants. Please advise us of any special dietary requirements in advance. Should you not wish to pre-pay for this, dinners will be for your own account and will still need to be taken in local restaurants or at the lodges if there are no restaurants in the nearby vicinity. There are no facilities available for self-catering.

VISAS:

The onus is on the client to organize all visas required to visit South Africa, Swaziland and Lesotho prior to departure.

TRAVEL INSURANCE:

Please note that travel and cancellation insurance is mandatory for every guest travelling with Jenman African Safaris. All insurance is solely the responsibility of our guests. Please ensure you arrange your own insurance with protection for the full duration of your journey to cover personal injury, damage and loss of personal items including but not limited to camera equipment and other electronic items, medical expenses, repatriation expenses and loss of luggage, etc. Please speak to your travel agent if you require assistance.
